## MEMBER SPOTLIGHT SUBMISSION FORM

PAFCS is seeking individuals to highlight their accomplishments, experiences, and the projects they have implemented in Family and Consumer Sciences courses. This will provide members with the opportunity to share their stories with colleagues and while recognizing the dedication and hard work involved.

All submissions will be reviewed and each month one will be selected to appear on the PAFCS website. Submissions specifically focusing on this year's annual conference theme "FCS & STEM: The Recipe for Life" will also be highlighted during the PAFCS President's keynote speech at the PAFCS Annual Conference April 8 – 10, 2016.

Please answer the questions below and send this document as an attachment to [program@pafcs.org](mailto:program@pafcs.org). Also, please include a high-resolution "headshot" picture and any pictures of student projects that you would like to be included. Please do not send pictures of your students without their written permission.

By participating, you agree to have your information (and picture) mentioned in the PAFCS newsletter, online at [www.pafcs.org](http://www.pafcs.org), and potential print communications. Your telephone and e-mail information will not be included in the article, unless you make that request.

Please contact us with any questions: [pafcsresident@pafcs.org](mailto:pafcsresident@pafcs.org)
